

The Committee for Research and Publication of the Department of Language Studies in collaboration with the SUA Centre for African and International Languages (SUA-CAIL) conducts Staff Seminar Presentation monthly. For May 09, 2023 presenters were Abdulkarim Mhandeni and Peter Mzray. Both Mr. Mzray and Mhandeni are PhD students at the University of Dar es Salaam and the University of Free State in South Africa respectively.

Mr. Mhandeni presenting on *'Facilitating the knowledge economy through intersemiotic Translation: towards sustainable development in Climate Smart Agriculture'*, during the staff seminar presentation series on May 09, 2023.

Mr. Mhandeni responding to questions during the presentation.

Dr. Hashim Mohamed offering a word of thanks to all who participated in the May 09, 2023 Staff Seminar Presentation.

Mr. Peter Mziray who presented about '*An ethnolinguistic account of plant names in Bantu languages: the semantic motivation of Chasu plant names*' is paused listening to participants just after his presentation during the questions and answers session.

Dr. J.W. Mwakapina (centred in the photo) the chair of the Departmental Research Committee and also the coordinator of the SUA Centre of African and International Languages (SUA-CAIL) in a group photo with the presenters on May 09, 2023 after the seminar presentation.
